

JW Ruby Research Farm Rules

DOGS

- ✓ You must keep your dog on a leash at all times
- ✓ You must pick up after your dogs; there is no location on this farm that is acceptable to leave dog poop, it should be bagged and in trash cans
- ✓ Dogs that are a nuisance to other people, other dogs, or disruptive to the horses at the show will be required to leave the grounds with their owners

WVU STABLING AREA AND PASTURES ARE OFF LIMITS TO THE PUBLIC

- ✓ This is part of a strict biosecurity protocol that helps keep visiting horses and WVU horses safe, and visiting horses welcome at our farm

HORSES SHOULD NOT BE TIED OUT TO TRAILERS IN GRAVEL PARKING LOTS

- ✓ Visiting horses should be stabled on site, or if hauling in, be parked in the grass field across the road

KEEP THE GRAVEL PARKING LOTS CLEAN FROM MANURE, BEDDING, AND HAY

- ✓ Clean up any manure and bedding that comes out of your trailer when you unload
- ✓ Do not dump dirty water buckets in the gravel parking lots; dump in the drains provided in the multipurpose building or in the grassy areas outside of the stall barn
- ✓ All manure on site should make its way to the manure bunks provided; there is one behind the multipurpose building and near the middle of the stall barn
- ✓ Haul-in horses - Do not leave hay and manure piled up around your trailer

BATHE HORSES ONLY IN DESIGNATED AREAS

- ✓ Wash racks are provided off the back of the multipurpose building and behind the trailer near the stall barn

ALL TRASH SHOULD BE IN THE CANS OR DUMPSTER PROVIDED

- ✓ Show management has extra trash bags if you need them; please bag and tie your trash closed and place in the dumpster before you leave

WVU FARMS ARE PART OF A DRUG, ALCOHOL, AND TOBACCO FREE CAMPUS
